product guide

SRW 360

SRW 360 WIRE BINDER

- Manual punch and closer
- Punches up to 25 sheets
- Binds up to 120 sheets

Surebind/Velobind

SUREBIND/VELOBIND

- Strip binder
- Electric punch/binder
- Binds up to 750 sheets

Eco E

ECO-E WIRE BINDER

- Heavy duty electric punch
- Punches up to 30 sheets
- Binds up to 280 sheets

Fastback 9

FASTBACK 9

- Tape binding
- Hardcase cover binding
- Binds 10-250 sheets in 40 seconds

Magna Punch

MAGNA PUNCH

- Heavy duty electric punch
- Punches up to 25 sheets
- Micro switch for high production

P3000

PROCLICK PRONTO P3000

- Automated binding
- Electric punch
- Eco-friendly binding

WBS 360

WBS 360 CLOSER

- Manual wire closer
- Closes all wire sizes
- Max working width: 360mm

Fastback 15

FASTBACK 15

- Tape and perfect binding
- Binds 10-350 sheets
- 15-35 seconds bind time

AP360

AP360 PUNCH

- Automatic wire punch
- Push button control panel
- High volume machine

Mobi 500

MOBI 500 WIRE CLOSER

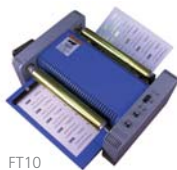

- Semi-automatic
- Quick set-up time
- Touch pad, user friendly set-up

VS-55

VS-55 PAPER DRILL

- Single head drill
- Sliding table
- 3mm-9mm drill bits

FT10

FOIL-TECH FT10

- Foils onto toner images
- Spot varnish
- Various foil colours

F43N

F43N FOLDING MACHINE

- Up to A3 size
- Friction fed
- Automatic fold set-up

CL-35

CL-35 MANUAL CREASER

- Working width SRA3
- 2 x paper stops
- Heavy duty

33 Pro

AUTOCREASER 33 PRO

- Digital creaser
- Micro adjustment to 0.1mm
- Up to 9 creases per sheet

Autobookie

AUTOBOOKIE

- Bookletmaker
- 48 page books
- Folds and staples

KB2000

KB2000 PERFECT BINDER

- High performance
- Ideal for digital stock
- Binds 4 sheets to 60mm

Foldnak M2

FOLDNAK M2 BOOKLETMAKER

- Heavy-duty table top
- A5 to SRA3
- Max thickness 2.5mm

P6+GP

P6+GP TAB CUTTER

- Electric tab cutter
- Digital set-up
- Cuts card, PVC and laminated sheets

DC-445

DC-445 DUCREASER

- Ideal for digital market
- Creasing and perforating
- Full automation

CL-1200N

CL-1200N POUCH LAMINATOR

- 4 roller system
- Laminating speed: 750mm/min
- No carrier needed

CL-330

CL-330 POUCH LAMINATOR

- Pouch laminator
- Up to A3 size
- High speed

CL-DH-360

CL-DH-360

- Encapsulation up to A3
- Adjustable temperature control
- Adjustable speed control

Matrix Duo 460/650

MATRIX DUO 460/650 ROLL LAMINATOR

- Single sided lamination
- Encapsulation
- A2/A1 size

CL-500D

CL-500D LAMINATOR

- 500mm wide
- Hot shoe
- Laminating speed: 7m/min

Catena 105

CATENA 105 LAMINATOR

- Up to A0 lamination
- 40" wide
- Entry level production machine

Titan 165

TITAN 165 LAMINATOR

- Wide format up to 1650mm
- Cold and hot lamination
- Mounts laminates and encapsulates

Easymount

EASYMOUNT

- Wide format laminator
- Graphics and signage
- Hot and cold mounting

AutoUltima

AUTOULTIMA

- Automatic feeder
- Automatic trimmer
- 204 x A4 per hour

CL-370/530

CL-370/530 LAMINATOR

- Single sided lamination
- Production machine
- Easy set-up

Mini-Zip

MINI-ZIP

- A4 size 275gsm
- 2 x passes
- 85 x 55mm finished size

608 Trimmer

608 TRIMMER

- 5 models up to A0
- Cuts up to 20 sheets
- Heavy duty

Zip 5

ZIP 5

- 5 x fixed sizes
- One pass – 280gsm
- Bleeds all 4 sided

EBA 551 (LT)

EBA 551 (LT) GUILLOTINE

- Infra red guards
- Air bed
- Side tables

Zip 10M

ZIP 10M

- Fast cost effective
- 350gsm A4
- Pre-programmed sizes

1500XCD

1500XCD

- Shreds 15 sheets of 80gsm
- 4x25mm (security level 3)
- 30 litre waste bin

Zip 21

ZIP 21

- Up to SRA3-350gsm
- 21 up on SRA3
- 158 cards/min (9,480hr)

FA 500.2

FA 500.2 SHREDDER

- Conveyor belt shredder
- 3 models available
- 360 litre bin

clc HAVE A WIDE RANGE OF REFURBISHED STOCK

If you are interested in any of our equipment but cannot justify a new machine, please contact us as we have a wide range of refurbished machines available.

90% of all our refurbished stock's service history is known to us; therefore, we have a good knowledge of their condition.

We also provide servicing on all our new and refurbished machines. Our servicing department can offer: extended warranties and service contracts. Are you aware it is now a legal requirement to have your guillotine safety checked every 6 months? Our experienced engineers are qualified to carry out the essential health & safety checks as well as offering a blade changing and sharpening service.

We supply an extensive range
of finishing equipment including:

**BUSINESS CARD CUTTERS
